on all Silverware

Silverware

If you would like a bespoke item made, repaired or restored, please contact us.

Chalice and Ciborium

At CPS we supply a huge range of silverware to cater for every style and requirement. Our silverware is manufactured to a high standard using tradition techniques and workmanship. This is just a small selection of an extensive range of Chalices, Ciborias and services we provide. For further information and our full range of silverware please visit our website.

If you can't find what you need, please call our sales team on 01452 383080 where you will find experienced and helpful staff that can assist you with your requirements.

At CPS we are also able to offer a unique restoration and refurbishment service, please contact us for further information.

Save money, please ask us about our special package prices for chalice and paten sets, discounts available.

Most items are available in Solid Silver, Stirling Silver or Silver Plate

Bespoke Chalice and Ciborium

This selection of our standard chalices and ciboria, however, we can also supply items manufactured to your specific design.

To discuss your individual requirements, please call us on: 01452 383080
