

# Welcome to CPS

## CPS furnishings catalogue

CPS is committed to offering its customers high quality products at competitive prices whilst maintaining the high standard of customer service on which we are proud to say its reputation is based.

Since being set up in 1984 to serve the community, CPS has continued to extend its range of products and provide the expertise and specialist knowledge gained from over 25 years experience of serving the community.

As an existing customer we greatly value the orders you have placed with CPS in the past 12 months, and look forward to your continued support in the future. As a potential customer, we would encourage you to take a few minutes to look through this catalogue, as it gives an overview of our product range but **if you cannot find what you want, please do not hesitate to contact a member of the CPS sales team.**

**Finally, we would like to draw your attention to our successful 'test before you invest' scheme which enables customers to sample our products before they commit to a purchase.** We also offer a 0% interest free option for purchases over £2000. Again, please contact the sales team if you would like to take advantage of this.
