

# Ultralight staging

**STEP 1**

**STEP 2**

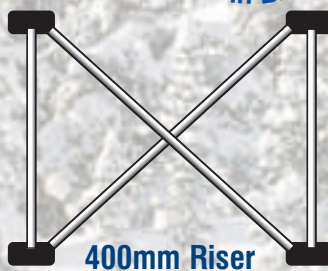

**STEP 3**

**STEP 4**

## Choose the height of your stage by selecting the correct riser height

Once you have made your selection choose from the riser and deck size shown opposite.

## Gopak Ultralight staging

This system offers a unique lightweight, yet incredibly strong staging solution ideally suited for venues where temporary installations are required.

- Easy to use
- Can be quickly assembled by one person
- Folds to just 2% of its open size

## Assembled in 4 easy steps

### Step 1

Open the riser.

### Step 2

Open out the riser to its full extent.

### Step 3

Add the top locating the screws in the corner posts into the holes in the underside of the top.

### Step 4

Tighten the screws using the allen key provided on each corner. The deck should now be securely fixed to the riser.

## Uses are endless:

- Schools
- Theatres & Halls
- Hotels
- Tiered Seating
- Catwalks
- Rostrums
- Exhibitions

## Optional extras

- Add a riser clip on each side for tiering
- Clip on valance available
- Add decks and secure together to expand and grow your staging.
